JOB POSTING CLOSING DATE: 12/4/21

Job Title: Grants Management Specialist
Department: NPAIHB

Status: Exempt Employee
Classification: Full-Time Regular
w/benefits

Reports to: Grants and Contracts Manager
Salary: \$50-70K DOE

Location: Portland, Oregon

Job Summary:

The Grants Management Specialist (GMS) plays a critical role in the overall funding health of the Board by providing a team through which all grants are submitted, thus providing a standardized grant process, and streamlining efforts across the organization. The GMS will encourage the ongoing development and submission of grants that advance the mission of the NPAIHB. The GMS will serve as the grants liaison and work collaboratively with Grants Management team, NPAIHB staff, external partners, and funders to produce competitive grant applications. The GMS will ensure that specified requirements are addressed thoroughly and all aspects of each application are completed and submitted on time. The GMS will ensure a high-level of excellence and completion of written materials produced by the Board. The GMS will provide ongoing research for funding opportunities for the entire NPAIHB, as well as member tribes. The GMS will work directly with the Compliance Manager and Fund Accounting Manager on post-award monitoring, reporting, and submissions.

Knowledge, skills and abilities required:

This position requires extensive knowledge of grant funding, including identifying appropriate funding opportunities within agencies such as the Substance Abuse and Mental Health Services Administration, National Institutes of Health, the Centers for Disease Control and Prevention, as well as State public health agencies and private foundations. The GMS must be familiar with the online federal grant submission process. The GMS must be able to interpret RFA/RFPs, provide expertise on all aspects of the submission process, and coordinate efforts across the NPAIHB, as well as with partnering collaborators. The GMS will demonstrate a high level of proficiency in technical editing and writing. A general interest in public health, health promotion, disease prevention or health research is desirable. The GMS must be proficient with the use of routine office software, such as Microsoft Word, Excel, Publisher, Outlook and PowerPoint, as well as Adobe Acrobat.
