

FREE DENTAL DAYS

at Cow Creek Health and Wellness Center

PREVENTATIVE DENTAL SERVICES FOR ADULTS AND CHILDREN

An on-site Expanded Practice Dental Hygienist can provide:

- ✓ A chance to talk about any dental concerns
- ✓ Risk assessment check of teeth and gums
- ✓ Preventative services:
 - Fluoride treatments
 - Temporary treatment for dental pain
 - Teaching about nutrition
 - Sealants to protect against cavities
- ✓ Toothbrush kit with tooth care guide
- ✓ Help finding a dental care home

Advantage Dental OHP members may have access to additional services at these events.

Did you know cavities can affect your overall health?

Poor oral health has been linked to heart disease, diabetes, respiratory infections, and even dementia.

Here is your chance to meet with a dental provider to get a free dental screening and preventive services if needed!

Fourth Thursday of Each Month

9 AM - 4 PM

Appointment Required in Advance
