Informed Consent for Treatment

Welcome to Cow Creek Health and Wellness (CCH&W). We hope that your experience with us will be positive, and that our assistance will be beneficial to you on your journey.

Consent for Treatment

I hereby voluntarily request and authorize Cow Creek Health & Wellness Center (CCH&WC), including its affiliated, providers, physicians, technicians, nurses, and other qualified personnel, as well as appropriately supervised students, to perform evaluation, treatment services, and medical procedures as may be deemed necessary. This authorization is given in accordance with the judgment of the attending medical practitioner(s) responsible for my care.

Treatment of Minor Children

I understand that minor child's patients must be accompanied by a parent or legal guardian at all times while at CCH&WC. I acknowledge that charges for services rendered to minor children are the responsibility of the guardian who seeks treatment for the child and are due at the time of service(s).

Photography / Video Consent

I acknowledge that my photograph may be taken for chart identification and documentation purposes for my electronic health record and is the property of CCH&WC unless I withdraw my consent in writing. I consent to videotaping for telehealth appointments for medical and medical record documentation purposes, provided said photographs or videotapes are maintained and released in accordance with protected health information regulations. I understand and agree not to photograph, videotape, audiotape, record or otherwise capture imaging or sound on any device. I also understand it is my responsibility to assure those accompanying me comply with this requirement.

Insurance Authorization and Assignment

I request that payment of authorized medical benefits be made on my behalf directly to the CCH&WC provider of service(s) furnished to me. I authorize CCH&WC to release any medical information to my health insurance carrier and/or its legitimate agents that is necessary to process related health insurance claims and/or to verify plan benefits in accordance with HIPAA health information standards. I authorize payment of service(s), otherwise payable to me under the terms of my private, group employers, or group health insurance plan, directly to CCH&WC. I hereby authorize photocopies of this form to be valid as the original.

Electronic Health Record Consent

I understand that healthcare providers require access to patient medical information at all times and locations where a patient presents for care to ensure safety, quality, and to coordinate patient care across the provider network, avoiding duplication of services. CCH&WC maintains a system-wide electronic medical record accessible on a "need to know" basis for sharing information about patient care in various settings. I give permission to share my electronic medical record among my healthcare providers and to obtain medication history through a Provider Health Information Exchange (HIE).

Notice of Privacy Practices Acknowledgement

Late Patient, Late Cancellation, and No-Show Policy

It is the policy of CCH&WC to offer accessible services. In order to do so, we need all patients to share in the responsibility of managing their appointments. Cow Creek Health & Wellness Center will contact you by your preferred method of choice to remind you of upcoming appointments. When a patient does not show up for an appointment, cancels with less than 24 hours' notice, or is late, the impact is felt by other patients and the organization as a whole.

Please be aware of the following concerning late patients, late cancellations, and no-shows:

1. **Late:** If a patient is late up to 15 minutes, the clinic can try to accommodate the patient. However, the patient will be told that they may need to wait to be seen, that the appointment may be brief, or potentially rescheduled for a different day. The patient is encouraged to call if they are going to be late. Calling will not guarantee an appointment. All late offenses will be documented in the patient's chart. Three consecutive late appointments in a one-year period of time will result in escalation to the provider for further action.
2. **Cancellation:** CCH&WC requests that patients give our clinic 24 hours notice in the event the appointment needs to be canceled or rescheduled. If transportation is a barrier, our clinic can offer a telemedicine visit using video technology, depending upon the purpose of the visit. The patient will be asked if they are interested in this option when calling to cancel. If the patient does not call our clinic to cancel/reschedule the appointment in the time allotted, the clinic will apply the following. Three consecutive cancelations without 24-hour notice in a one-year period of time will result in escalation to the provider for further action.
3. **No-Show:** CCH&WC requests that patients call and cancel so that another patient can fill that appointment spot.
    a. **First No-Show:** After a patient's first no-show, a phone call will be made to reschedule their appointment, and a reminder letter will be sent.
    b. **Second No-Show:** After a patient's second no-show, a second warning letter will be sent.
    c. **Third No-Show:** Upon a third no-show, the patient may face scheduling restrictions, up to and including potential dismissal from the practice, at the discretion of clinic administration.

*Behavioral Health and Substance Use Disorder patients may receive alternative communication from the clinic.

By signing below, I indicate that I have read and understood the Cow Creek Health & Wellness Center's Late Patient, Late Cancellation, and No-Show Policy, and that I am in agreement with this policy:
