Form Updated 03/04/2026

Informed Consent for Treatment

Welcome to Cow Creek Health and Wellness (CCH&W). We hope that your experience with us will be positive, and that our assistance will be beneficial to you on your journey.

Consent for Treatment

I hereby voluntarily request and authorize Cow Creek Health & Wellness Center (CCH&WC), including its affiliated, providers, physicians, technicians, nurses, and other qualified personnel, as well as appropriately supervised students, to perform evaluation, treatment services, and medical procedures as may be deemed necessary. This authorization is given in accordance with the judgment of the attending medical practitioner(s) responsible for my care.

Treatment of Minor Children

I understand that minor child's patients must be accompanied by a parent or legal guardian at all times while at CCH&WC. I acknowledge that charges for services rendered to minor children are the responsibility of the guardian who seeks treatment for the child and are due at the time of service(s).

Photography / Video Consent

I acknowledge that my photograph may be taken for chart identification and documentation purposes for my electronic health record and is the property of CCH&WC unless I withdraw my consent in writing. I consent to videotaping for telehealth appointments for medical and medical record documentation purposes, provided said photographs or videotapes are maintained and released in accordance with protected health information regulations. I understand and agree not to photograph, videotape, audiotape, record or otherwise capture imaging or sound on any device. I also understand it is my responsibility to assure those accompanying me comply with this requirement.

Insurance Authorization and Assignment

I request that payment of authorized medical benefits be made on my behalf directly to the CCH&WC provider of service(s) furnished to me. I authorize CCH&WC to release any medical information to my health insurance carrier and/or its legitimate agents that is necessary to process related health insurance claims and/or to verify plan benefits in accordance with HIPAA health information standards. I authorize payment of service(s), otherwise payable to me under the terms of my private, group employers, or group health insurance plan, directly to CCH&WC. I hereby authorize photocopies of this form to be valid as the original.

Electronic Health Record Consent

I understand that healthcare providers require access to patient medical information at all times and locations where a patient presents for care to ensure safety, quality, and to coordinate patient care across the provider network, avoiding duplication of services. CCH&WC maintains a system-wide electronic medical record accessible on a "need to know" basis for sharing information about patient care in various settings. I give permission to share my electronic medical record among my healthcare providers and to obtain medication history through a Provider Health Information Exchange (HIE).

Notice of Privacy Practices Acknowledgement

Pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), I acknowledge that I have been offered a copy of the CCH&WC's Notice of Privacy Practices. I consent to the use and disclosure of my protected health information as described therein. This includes information generated through virtual health services and all medical information generated during hospitalization and outpatient treatment at CCH&WC.

Acknowledgment of Understanding

By signing below, I certify that I have read and fully understand the above statements, and I consent fully and voluntarily to the medical treatments as described above.

Behavioral Health Late Patient, Late Cancellation, and No-Show Policy

It is the policy of CCH&WC to offer accessible services. In order to do so, we need all clients to share in the responsibility of managing the appointments.

Please be aware of the following concerning late patients, late cancellations, and no-shows:

1. **Late**. If a patient is late up to 15 minutes, the clinic can try to accommodate the patient. However, the patient will be told that they may need to wait to be seen, or that the appointment may be brief. The patient is encouraged to call if they are going to be late. Calling will not guarantee an appointment. All late offenses will be documented in the patient's chart. Three consecutive late appointments in a one-year period of time will result in escalation to the provider for further action.
   a. The first offense will be waived, and the team will make every attempt to see the patient.
   b. After the second offense, office staff will talk with the patient and other direct team members to see or reschedule the patient.
   c. After the third offense, the appointment will be cancelled and rescheduled. If there is acute need, the patient will need to reschedule or go to the Emergency Room.
2. **Cancellation**. CCH&WC requests that patients give our clinic 24 hours notice in the event the appointment needs to be canceled or rescheduled. If transportation is a barrier, our clinic can offer a telemedicine visit using video technology, depending upon the purpose of the visit. The patient will be asked if they are interested in this option when calling to cancel. If the patient does not call our clinic to cancel/reschedule the appointment in the time allotted, the clinic will apply the following. Three consecutive cancelations without 24-hour notice in a one-year period of time will result in escalation to the provider for further action.
   a. The first offense will be waived.
   b. After the second offense, the patient will have to re-sign the agreement to abide by it.
   c. After the third offense, the provider and office staff will speak with the patient regarding the disruption of patient care, and the importance of cancelling with more than 24 hours notice.
3. **No-Show**. CCH&WC requests that patients call and cancel so that another patient can fill that appointment spot. If a patient fails to show up for a scheduled appointment, we will apply the following. Three consecutive no-shows in a one-year period of time will result in escalation to the provider for further action.
   a. First no-show. Office staff will call the patient to discuss the no-show and to reschedule. The PCC will document the no-show in the Electronic Health Record (EHR).
   b. Second no-show. Office staff will send a form letter within the EHR, and email the form letter to the patient using liquid files.
   c. Third no-show. Office staff will send a form letter within the EHR and email the form letter to the patient using liquid files. Office staff will then put an alert in the EHR notifying the office staff prior to making another appointment. Office staff will call and talk with the patient to discuss the history of no-shows and have the patient re-sign the policy and agree to abide by it.

*Behavioral Health and Substance Use Disorder patients may receive alternative communication from the clinic.

By signing below, I indicate that I have read and understood the Behavioral Health Late Patient, Late Cancellation, and No-Show Policy, and that I am in agreement with this policy:
